SAN IGNACIO PHONE DIRECTORY 2024

We recently sent an email with a Neighborhood phone directory updated as of August 2024. Print it and substitute it for the issue that we distributed October 22, 2022, in your copy of the Owners Handbook.

MAINTENANCE CORNER

If you are not in residence during the summer, please arrange for someone to take care of your yard, keeping it free from weeds and treating any water features to prevent mosquitoes. Additionally, please have someone check your drip system if you are not here. Our maintenance committee has recently discovered two homes with serious leaks. If we need to reach you during your absence, we need a phone number or email for emergencies. To update your contact, please email sivhoa.info@gmail.com or call 520-330- 6087.

LANDSCAPING COMMITTEE THANK YOU

The Landscaping Committee has been busy overseeing the planting of new cacti, cleaning drainage swales, trimming trees, and removing buffelgrass. We thank them for their hard work as they enhanced our community!

NEWLY UPDATED MONUMENTS

Both monuments have recently been updated. The electrical source lighting the Calle Tres monument was no longer available. Since it was impossible to see the entrance at night, we needed to install solar lights. The monument was painted with a new brighter color making it more visible.

We also added a concrete walkway in front of that monument to correct a safety issue. Del Sol monument was also repainted, and a Saguaro has been added. Check the photos on our website!
